Sahl mi ans gak kyle is callige
Fyuer me rury meis na ranige
Falak goo na cluwasan*

Translation:

Searching high and low
Rory's not here
Searching high and low
Rory's not here

In the morning when I arise
Rory's not with me
In the morning when I arise
Rory's not with me

I got an oil lamp and lit it
And searched in every nook and cranny
I found Rory in the bracken
Hidden up to his ears!
